## WHAT'S NEW

### **Affirmatively Furthering Fair Housing**

With some exceptions for Federally recognized Indian tribes and their instrumentalities, project applicants must discuss how the applicant will carry out the proposed activities in a manner that affirmatively furthers fair housing in compliance with the Fair Housing Act and its implementing regulations, and how applicants will meet the requirements of the definition of AFFH at 24 CFR 5.151. Applicants may propose activities that are consistent with their jurisdiction's Analysis of Impediments (AI), an Assessment of Fair Housing (AFH), or other means of fair housing planning that meaningfully supports their AFFH certification. If the applicant will carry out proposed activities in a jurisdiction with an AFH, the proposed activities should be consistent with the AFH's fair housing goals and with fair housing strategies specified in the jurisdiction's Consolidated Plan or Public Housing Agency Plan. Applicants will describe how their proposed NOFO activities are aligned with AFFH requirements, as specified at 24 CFR 578.93(c), in response to Rating Factor V.B.1.p

## **DV-BASED REVISED DEFINITION OF HOMELESSNESS**

**DOMESTIC VIOLENCE AND OTHER DANGEROUS OR LIFE-THREATENING CONDITIONS.**—Notwithstanding any other provision of this section, the Secretary shall consider to be homeless any individual or family who is fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking, or other dangerous or life-threatening conditions in the individual's or family's current housing situation, including where the health and safety of children are jeopardized, and who have no other residence and lack the resources or support networks to obtain other permanent housing.

This means individuals fleeing or attempting to flee due to domestic violence no longer have to be classified as being chronically homeless.

## HOUSING VOUCHERS

CoCs may receive up to 14 points on the CoC Application if the FY 2023 CoC Priority Listing includes new project applications created through reallocation or the CoC Bonus that utilizes housing vouchers and healthcare provided through an array of healthcare services providers. See section V.B.6 of HUD'S NOFO for additional details.

### HUD CoC Policy Priorities

**HUD's Strategic Goals:** HUD's FY 2022-2026 Strategic Plan lays out this administration's strategy for ensuring everyone has an affordable, healthy place to live. Over the course of the next four years HUD will pursue two overarching priorities focused on increasing equity and improving customer experience across all HUD programs.

Five strategic goals undergird the Plan as follows:

- Strategic Goal 1: Support Underserved Communities
- Strategic Goal 2: Ensure Access to and Increase the Production of Affordable Housing
- Strategic Goal 3: Promote Homeownership
- Strategic Goal 4: Advance Sustainable Communities
- Strategic Goal 5: Strengthen HUD's Internal Capacity

The five goals of the **FY 2022-2026 Strategic Plan** present the core vision of what we hope to accomplish, the strategies to accomplish those objectives, and the indicators of success.

### Eligible Types of New Projects Created Through Domestic Violence (DV) Bonus

- Through this NOFO, up to \$102 million is available nationally for DV Bonus projects, which are dedicated to survivors of domestic violence, dating violence, and/or stalking who qualify under paragraph (4) of the definition of homeless at 24 CFR 578.3.
- A CoC may apply the following types of projects:
  - **Rapid Rehousing** that adopts a housing first approach and is dedicated to serving survivors of domestic violence, dating violence, and/or stalking.
  - **Joint Transitional Housing and Rapid Rehousing** that adopts a housing first approach and is dedicated to serving survivors of domestic violence, dating violence, and/or stalking; and
  - **Supportive Services Only projects for Coordinated Entry** to implement policies, procedures, and practices that equip the CoC's coordinated entry to better meet the needs of people experiencing homelessness who are survivors of domestic violence, dating violence, and/or stalking (e.g., to implement policies and procedures that are trauma-informed, client-centered or to better coordinate referrals between the CoC's coordinated entry and the victim service providers coordinated entry system where they are different).

- **Number of Applications.** A CoC may apply for any number of PH-RRH and Joint TH and PH- RRH projects provided that each application is for at least \$50,000. A CoC can only submit one project application for an SSO-CE project.
- **Expansion Projects.** A CoC may apply to expand an existing renewal project, including one that was previously funded with DV Bonus funding. DV Bonus funding may be used to expand an existing renewal project that is not dedicated to serving survivors of domestic violence, dating violence, and/or stalking so long as the DV Bonus funds for expansion are solely for additional units, beds, or services dedicated to persons eligible to be served with DV Bonus funding.
- **Project Quality Threshold for DV Bonus.** To be eligible to receive a DV Bonus project for PH-RRH or Joint TH and PH-RRH, a CoC must demonstrate it ranks projects based on how they improve system performance as outlined in Section VII.B.2.b of the NOFO. Additionally, to be eligible to receive a DV Bonus project for PH-RRH or Joint TH and PH- RRH component, all projects funded through the DV Bonus must adopt a housing first approach.
- **Ranking.** CoCs are required to rank all DV Bonus projects on the New Project Listing of the CoC Priority Listing with a unique rank number and the corresponding renewal project application must be on the Renewal Project Listing with a unique rank number. A new DV Bonus project that expands an existing renewal project will only be selected if the renewal project is conditionally selected in Tier 1 or 2. If the renewal project application is selected for conditional award with CoC Program funds and the new DV Bonus expansion project is approved for selection, HUD will only select the new DV Bonus project with DV Bonus funds and HUD will remove the new DV Bonus project from the New Project Listing and all other project applications ranked below the new DV Bonus project will move up one rank position.
