All Project RoomKey hotel locations are operating at near or full capacity. Kaweah Delta Street Medicine, Tulare HHSA, and the Alliance have partnered on a street medicine event in Porterville on June 29th. Participants were tested for COVID, received hygiene kits, food, and reusable face masks. Representatives were available later in the week to assist clients with signing up for Economic Impact Payments. See Appendix A for COVID related dashboards.

EMERGENCY HOUSING FOR VETERANS

The veteran emergency housing project has launched. Partners are working on identifying vets and inviting them into hotel/motel. The first clients were placed the week of June 29th.

100-DAY CHALLENGE

The 100-Day Challenge has officially launched with the goal of:

KINGS/TULARE TASK FORCE UPDATES

- Kings: The Kings County Gaps Analysis was adopted at the June meeting.
- Tulare: The Task Force provided an update on the county's COVID response. Task Force members shared their COVID programmatic updates as well.

COORDINATED ENTRY

For the period of 7/1/19 – 05/31/20, 118 people were referred for housing in the bi-county region. Of those, 18 people were housed (see Appendix B). The majority of referrals were for the Mainstream Voucher Program (48) followed by Permanent Supportive Housing (40), and Rapid Rehousing (30). Of the 72 closed referrals 26 were housed.

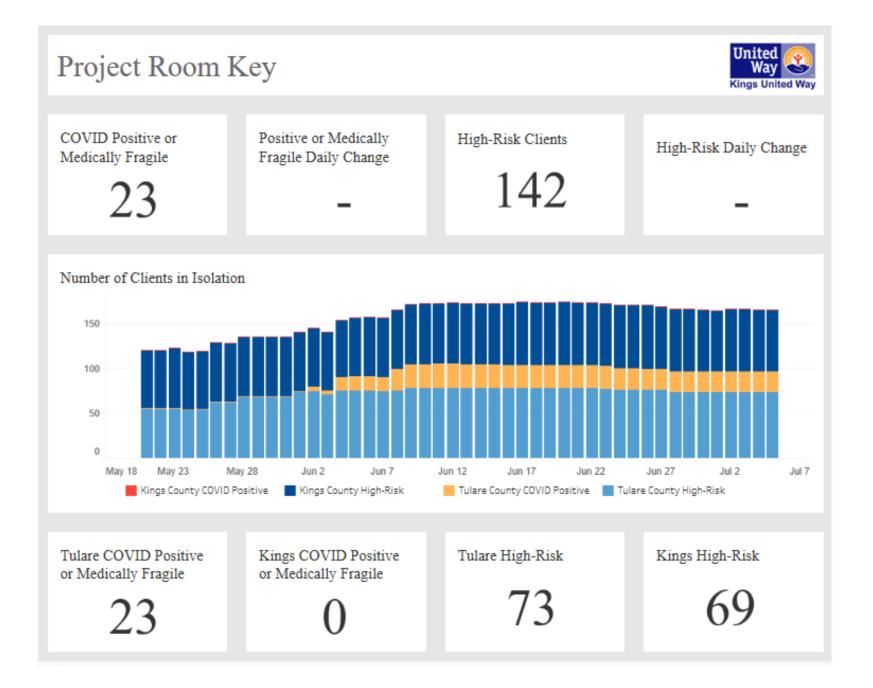

LINC

Local Initiatives Navigation Centers (LINC) have been closed since mid-March due to the COVID pandemic.

STATE LEGISLATION

Several homeless advocates and coalitions have been working to create an Office to End Homelessness at the state level. Assembly member Rivas sponsored AB 1845, which will create a single point of contact at the state who will be in charge of overseeing all homelessness programs. AB 1845 passed the Assembly on June 10, 2020 and is now in the Senate. The Alliance submitted a letter of support for the effort (see Appendix C). Appendix A – COVID Dashboards

The Honorable Melissa Hurtado Chair, Senate Committee on Human Services State Capitol Sacramento CA, 95814

RE: AB 1845 Office to End Homelessness— SUPPORT

Dear Chair Hurtado:

On behalf of the Kings/Tulare Homeless Alliance, I am writing in support of AB 1845.

AB 1845 establishes a single point of contact on homelessness at the state level, by creating a Secretary on Housing Insecurity and Homelessness, who will be in charge of overseeing all homelessness programs that would continue to be managed by existing entities. By placing the Coordinating and Financing Council within the Office on Homelessness, the state can ensure proper authority exists to effectively coordinate and hold the state accountable for its response to addressing homelessness.

Increasing housing costs and stagnating incomes have been the main drivers that cause individuals to fall into homelessness. To help alleviate those pressures, the Legislature and Governor has allocated significant resources in response to the growing crisis. While state funding plays a critical role in the fight against homelessness, funding alone will not solve systemic issues.

For decades, the state has disregarded multiple appeals by those who are charged with providing government oversight, to create a single entity in charge of homelessness. Currently, there are 13 different state agencies and departments administering at least 30 different programs relating to homelessness.

Continued state investments, combined with significant structural changes to how California oversees, coordinates, and delivers its homelessness programs is essential to ensuring that state and local programs are being utilized effectively. On behalf of the Kings/Tulare Homeless Alliance, I respectfully request your support of AB 1845.

Respectfully,

Machael Smith Executive Director Kings/Tulare Homeless Alliance

Assembly Bill 1845 Office to End Homelessness Assemblywoman Luz Rivas

SUMMARY

Increasing housing costs and stagnating incomes have been the main drivers that cause individuals to fall into homelessness. To help alleviate those pressures, the Legislature and Governor has allocated significant resources in response to the growing crisis. While state funding plays a critical role in the fight against homelessness, funding alone will not solve systemic issues.

Continued state investments, combined with significant structural changes to how California oversees, coordinates, and delivers its homelessness programs is essential to ensuring that state and local programs are being utilized effectively.

BACKGROUND

In 1989, the Little Hoover Commission recommended, "unifying all 'homeless' state programs" to be housed under one entity.¹ Almost three decades later, in 2017, the California State Auditor reported the core reason our "unsheltered homeless population exceeds that of other entities" is due to the fact that "other entities have a single entity charged specifically with addressing homelessness. Furthermore, other entities invest significantly in administering and funding homeless services."²

Governor Newsom, within days of taking office, took action to assist our state's unhoused residents by creating a Council of Regional Homeless Advisors (Task Force). After months of meetings with local governments to identify best practices and solutions to end the homelessness crisis, the Task Force came to the determination that the state should "create a single point of authority of homelessness in state government," and suggested "a high-level official that reports directly to Newsom."³

PROBLEM

Over 151,000 Californians experience homelessness at any point in time, a 16% increase from 2018 to 2019. Additionally, it is well known those figures do not fully represent the amount of homeless youth in the state.

For decades, the state has disregarded multiple appeals by those who are charged with providing government oversight, to create a single entity in charge of homelessness. Currently, there are 13 different state agencies and departments administering at least 30 different programs relating to homelessness.

The Legislative Analyst Office recently commented on the state's existing approach to addressing homelessness by saying: "[A] fragmented approach creates various challenges. Addressing a problem as complex and interconnected as homelessness requires the involvement of departments and agencies across the state and collaboration among all levels of government and other stakeholders. A fragmented response creates various challenges, including:

- Difficulty tracking all homelessness-related • expenditures across the state.
- Difficulty assessing how much the state is spending on a particular approach towards addressing homelessness, for example prevention versus intervention efforts.
- Difficulty determining how programs work collaboratively.
- Difficulty assessing what programs are collectively accomplishing."⁴

Due to the state's lack of a centralized office on homelessness, our response to the crisis has been unnecessarily fragmented.

SOLUTION

AB 1845 establishes a single point of contact on homelessness at the state level, by creating a Secretary on Housing Insecurity and Homelessness, who will be in charge of overseeing all homelessness programs that would continue to be managed by existing entities. By placing the Coordinating and Financing Council within the Office on Homelessness, the state can ensure proper authority exists to effectively coordinate and hold the state accountable for its response to addressing homelessness.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant policies used by Kings/Tulare Continuum of Care on Homelessness, Inc. are described in Note 1 to the financial statements. New accounting policies were adopted and the application of existing policies was applied for 2019 as outlined in the footnotes to the financial statements. We noted no transactions entered into by the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility of future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

• Collectability of accounts and grants receivable is based on an analysis of the probability of collecting outstanding accounts. We evaluated subsequent collection of accounts receivables by vouching collection in Quickbooks in determining that it is collectable.

- Prepaid insurance expense is based on the insurance term and the payments in excess of the amount that has expired during the term. We evaluated the payments in relation to the expiration of insurance in determining that is it reasonable in relation to the financial statements taken as a whole. Prepaid dues and membership expenses are based on payments made for expenses before the services or goods are received. We reviewed the prepayments in determining that it is reasonable in relation to the financial statements taken as a whole. We also evaluated the current and long-term nature of the prepaid expenses.
- Depreciable lives of property and equipment is based upon the estimated period during which such assets will remain in service. We evaluated the remaining lives of property and equipment in relation to the date is was purchased and the type of asset in question in determining that it is reasonable in relation to the financial statements taken as a whole.
- Accrued compensated absences are based on the hours vested and the prevailing rate of compensation at the year-end. We evaluated the accumulation of hours and the prevailing rate of compensation in determining that it is reasonable in relation to the financial statements taken as a whole.
- Deferred grants and other income is based on the receipt of grant funds that have not been earned. We reviewed the grant agreements and grant budget to determine the purpose of the grant and the nature of the expenses that qualified under the grant. We also reviewed the expenses that were incurred through the end of the reporting period in determining that it is reasonable in relation to the financial statements taken as a whole.
- Future lease commitments are based on the lease terms of various property and equipment. We evaluated the lease agreements and terms of payments in determining that it is reasonable in relation to the financial statements taken as a whole.
- Allocation of indirect expense by function is based upon management's estimate of expenses incurred for program and management purposes. We evaluated the allocation of indirect expenses by reviewing the worksheets, the allocation methods used, and by reviewing the expense in relation to total and functional expenses as a whole in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

• The disclosure of net assets with donor restrictions in Note 3 to the financial statements. The disclosure identifies the amount of restricted net assets and the nature of the restrictions. It also discloses the nature of the restrictions that were released.

• The disclosure of liquidity and availability of resources in Note 4 to the financial statements. The disclosure financial assets available to meet cash needs for general expenditures within one year.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Attached is a list of adjusting journal entries we proposed that have been reflected in the financial statements. We proposed 8 journal entries.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 23, 2020.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

This information is intended solely for the use of the Board of Directors, and management of Kings/Tulare Continuum of Care on Homelessness, Inc. and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

INDEPENDENT AUDITOR'S REPORT

June 23, 2020

To the Board of Directors Kings/Tulare Continuum of Care on Homelessness, Inc. Visalia, California

We have audited the accompanying financial statements of Kings/Tulare Continuum of Care on Homelessness, Inc. (a California nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Kings/Tulare Continuum of Care on Homelessness, Inc. as of June 30, 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities and Description of Organization

Kings/Tulare Continuum of Care on Homelessness, Inc. (hereafter "KTCOC") is a nonprofit corporation and is the designated Continuum of Care Program which is a community-based, long range plan that addresses the needs of the homeless in order to help them reach maximum self-sufficiency. The Continuum of Care is developed through collaboration with a broad cross-section of the community and based on a thorough assessment of homeless needs and resources. The Continuum of Care is recommended by the U.S. Department of Housing and Urban Development (HUD) as a comprehensive and strategic approach to addressing homelessness. The organization serves Kings County and Tulare County.

Basis of Presentation

These financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958 dated August 2016, and the provisions of the American Institute of Certified Public Accountants (AICPA) *Audit and Accounting Guide for Not-for-Profit Organizations*, (the "Guide"). (ASC) 958-205 was effective for January 1, 2018. Professional accounting standards require that the organization report information regarding its financial position and activities according to two classes of net assets – net assets without donor restrictions and net assets with donor restrictions. Under these standards, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Accordingly, the net assets of the organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. The organization's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

The organization receives grants and contributions from corporations, individuals, etc. Such grants and contributions are recorded when received or unconditionally promised and are considered to be available for the support of the organization's operations, unless specifically restricted by the donor or agency.

New Accounting Pronouncements

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (ASU 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The organization has adopted this accounting standard and presents these statements accordingly. The ASU has been applied retrospectively to all periods.

On November 17, 2016, FASB issued ASU 2016-2018, Statement of Cash Flows (ASU 230) – *Restricted Cash*. The update addresses the diversity in classification and presentation of changes in restricted cash on the statement of cash flows. The organization has adopted this accounting standard and presents these statements accordingly. The ASU has been applied retrospectively to all periods.

In June 2018, FASB issued ASU No. 2018-08, Not-for-Profit Entities – *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. The new standard provides a more robust framework for determining whether a transaction should be accounted for as a contribution or as an exchange transaction based on whether a resource provider is receiving value in return for the resources transferred. Further, the ASU provides additional guidance to help determine whether a contribution is conditional and better distinguish a donor-imposed condition from a donor-imposed restriction. The effective date of this amendment is for fiscal years beginning after December 15, 2018. Early adoption is permitted. Management has not determined the impact of this pronouncement.

In May 2-14, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers* (Topic 606). This new accounting guidance outlines a single comprehensive model for entities to use in accounting for revenue from contracts with customers. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods and services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. This amendment has limited applicability to the organization as there are no current contracts subject to the guidance. The effective date of this amendment is for fiscal years beginning after December 15, 2019. In April, 2020, the FASB has proposed a one-year extension of the effective date.

In February 2016, the FASB issued ASU No. 2016-02, *Leases* (Topic 842). ASU 2016-02 was issued to increase transparency and comparability among entities. Lesees will need to recognize nearly all lease transactions (other than leases that meet the definition of a short-term lease) on the statement of financial position as a lease liability and a right-of-use asset (as defined). ASU is effective for fiscal years beginning after December 15, 2020. In April, 2020, the FASB has proposed a one-year extension of the effective date.

1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont)

Cash and Cash Equivalents

The organization considers all highly liquid debt instruments purchased with maturity dates of three months or less to be cash and cash equivalents. The organization's cash and cash equivalents consist of accounts maintained in recognized financial institutions. Some of these accounts may have balances in excess of federally insured limits. Management continuously monitors its concentration of funds in financial institutions and reports the amounts to the Board of Directors regularly.

Accounts and Grants Receivable

Accounts and grants receivable are primarily receivables from grants. Accounts and unconditional grants receivable that are expected to be collected within one year are recorded at net realizable value. All receivables are unsecured. It is the organization's policy to charge off uncollectible receivables when management determines the receivable will not be collected. Management believes all are fully collectible; therefore, no allowance for doubtful accounts has been included in the financial statements.

Property and Equipment and Depreciation

Property and equipment are carried at cost, if purchased, or fair value at the time of contribution, if donated. Acquisitions in excess of \$1,000 are capitalized. Depreciation, including amortization of capitalized leases, is computed using the straight-line method with lives for computer equipment from 3 to 5 years. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in income for the period. Property and equipment are reviewed for impairment on an annual basis.

Compensated Absences

The organization has a policy permitting employees to accumulate unused personal time off (PTO) benefits. Upon termination or retirement, unused PTO benefits will be paid at the employee's regular payroll rate. The balance of unused PTO benefits at June 30, 2019 was \$5,344.

Deferred Grants/Grant Revenue Recognition

Funds provided under grants or contracts, which are not considered contributions at the time of receipt, are deemed to be earned and reported as revenue when the organization has incurred expenditures in compliance with the specific terms of the grant or contract. Grant or contract funds received for which no corresponding expenditure has yet been made are accounted for as refundable advances and reported as deferred revenue until it is expended for the purpose of the grant. The balance in deferred grants at June 30, 2019 of \$2,579,294 represents unearned grant revenue.

KINGS/TULARE CONTINUUM OF CARE ON HOMELESSNESS, INC. Notes to Financial Statements

Year ended June 30, 2019

1 - NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont)

Revenue recognition

Grants and contributions are recognized as revenue when received or unconditionally promised. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Unconditional contributions are recognized when pledged and recorded as donor restricted support if received with donor stipulations that limit the use of such contributions.

When agency and donor restrictions expire – that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without restrictions and reported in the accompanying statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets with donor restriction support. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Contributions restricted for acquisition of land, buildings, and equipment are reported as net assets without donor restrictions upon acquisition of the assets and the assets are placed in service.

Conditional promises to give are not included as support until the conditions are substantially met. There were no conditional promises to give at June 30, 2019.

Functional Allocation of Expenses

The costs of providing the various program and supporting activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited. Such cost allocations are determined by management on an equitable basis. Limited fundraising activities are conducted by the organization. The significant expenses that are allocated and the method of allocation include the following:

Expense Consultants/outside services Salaries and wages Payroll taxes and benefits

Advertising Costs Advertising costs are expensed as incurred. <u>Method of Allocation</u> Departmental assignment Departmental assignment Pro rata to departmental assignment

Concentrations

Financial instruments that potentially subject the organization to concentration of credit risk include cash and cash equivalents. The carrying amounts of cash and cash equivalents represent a reasonable estimate of the fair values due to its liquidity. The organization places its cash and investments with high credit quality financial institutions. At times, the account balances may exceed the institution's federally insured limits. Cash accounts at each institution are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. At June 30, 2019, the organization had cash and cash equivalents of \$2,450,548 in excess of the FDIC insured limit.

Use of Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The organization has been recognized by the Internal Revenue Service as a tax-exempt organization under Internal Revenue Code Section 501(c)(3) and has also been recognized by the California Franchise Tax Board as a tax-exempt organization under California Revenue and Taxation Code Section 23701 (d), and contributions to it are tax deductible within the limitations prescribed by the Code. The organization has been classified as a publicly supported organization, which is not a private foundation under Section 509(a) of the Code.

FASB ASC Topic 740, *Income Taxes*, related to accounting for uncertainty in income taxes, prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. The Standard requires that the entity account for and disclose in the financial statements the impact of a tax position if that position will more likely than not be sustained upon examination, including resolution of any related appeals or litigation processes, based on the technical merits of the position. The organization has evaluated the financial statement impact of tax positions taken or expected to be taken and determined it has no uncertain tax positions that would require tax assets or liabilities to be recorded in accordance with accounting guidance. The organization is relying on its exempt status and its adherence to all applicable laws and regulations to preserve that status.

| Less: Accumulated depreciation | | (1,316) |
| | <u>\$</u> | 4,608 |

Depreciation charged to income was \$1,316 in 2019.

3 - NET ASSETS WITH DONOR RESTRICTIONS

Donor restricted net assets consist of and for the following purposes at June 30, 2019:

| | 2019 |

| Purpose and/or time restrictions | \$ <u>189,904</u> |
| Total net assets with donor restrictions | 189,904 |

4 - LIQUIDITY AND AVAILABILITY OF RESOURCES

The following reflects the organization's financial assets as of the statement of financial position date, reduced by amounts not available for general use because of contractual, donor-imposed regulation, or Board designations within one year of the statement of financial position date:

| | 2019 |
|---|---------------------|
| Financial assets at year-end: | |
| Cash & cash equivalents | \$ 2,707,851 |
| Accounts and grants receivable | 135,462 |
| Less those unavailable for general expenditures | |
| within one year due to: | |
| Contractual or donor-imposed restrictions | (189,904) |
| Financial assets available to meet cash needs for | |
| general expenditures within one year | <u>\$ 2,653,409</u> |

The organization is substantially supported by restricted contributions and receives some unrestricted contributions. Because a donor's or grantor's restriction requires resources to be used in a particular manner or in a future period, the organization must maintain sufficient resources to meet those responsibilities to its donors. Thus financial assets may not be available for general expenditure within one year.

As part of the organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities and other obligations become due. At times, the organization invests cash in excess of daily requirements in short-term investments.

5 - COMMITMENTS AND CONTINGENCIES

(a) Lease Commitments

The organization leases certain facilities under a long-term lease agreement. The lease of the office facility is classified as an operating lease and expires in 2020.

| 2020 | \$ 14,592 |
| 2021 | 1,216 |
| | |
| Total minimum lease payments | \$ 15,808 |

5 - COMMITMENTS AND CONTINGENCIES

(a) Lease Commitments (cont)

Rental expense for all operating leases amounted to \$15,924 for the year ended June 30, 2019.

(b) Contingencies

The organization is subject to certain loss contingencies, such as litigation, arising in the normal conduct of its activities. In the opinion of the organization's management, the liability, if any, for such contingencies will not have a material effect on the organization's financial position.

6 - SUBSEQUENT EVENTS

The organization has evaluated subsequent events through June 23, 2020, the date on which the financial statements were available to be issued. Management has concluded the following subsequent events require disclosure in the financial statements:

COVID-19

On March 11, 2020 the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. As of the date of this report, the office is closed and personnel are working remotely. Management cannot reasonably estimate the length or severity of this pandemic, or the extent to which the disruption may materially impact the organization's financial position, results of operations, and cash flows in fiscal 2020 and 2021.

Kenneth W. Savage, CPA

June 23, 2020

To the Board of Directors, Kings/Tulare Continuum of Care on Homelessness, Inc. Visalia, California

In planning and performing our audit of the financial statements of Kings/Tulare Continuum of Care on Homelessness, Inc. as of and for the year ended June 30, 2019, in accordance with auditing standards generally accepted in the United States of America, we considered the organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A deficiency in design exists when (a) a control necessary to meet the control objective is missing, or (b) an existing control is not properly designed so that, even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed, or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following is a description of a deficiency in internal control that we determined constitute a significant deficiency. This letter does not affect our report dated June 23, 2020, on the financial statements of Kings/Tulare Continuum of Care on Homelessness, Inc.

We will review the status of this comment during our next audit engagement. We have already discussed this comment and suggestions with various organization personnel, and we would be pleased to discuss them in further detail at your convenience, to perform any additional study of this matter, or to assist you in implementing the recommendations. The memorandum that accompanies this letter summarizes our findings regarding this matter.

We wish to thank the Executive Director, the Accountant, and staff for their support and assistance during our audit.

This report is intended solely for the information and use of the Board of Directors, management, and others within the organization.

INTERNAL CONTROLS OVER CASH RECEIPTS

In our review and evaluation of internal controls over cash receipts, we noted a weakness with cash receipts handling. The Administrative Specialist receives mail and forwards it (unopened) to the addressee if an employee is specified. If no employee is specified, the mail is forwarded (unopened) to the Accountant. Since the mail is not opened by the Administrative Specialist, no record is made of cash receipts (cash/checks/etc) before forwarding to the Accountant. The Accountant opens the mail received by him and no one else is present. If it contains cash receipts, he will request another available staff member to count, verify, and sign off the cash received. The Accountant also prepares the deposit slip for bank deposit and records the deposit in QB. The Accountant is performing incompatible duties and his duties lack dual custody of cash receipts because he opens mail with cash receipts without anyone present, prepares the deopsit slip, and records the deposit in Quickbooks. There is no independent verification and comparison because there is no independently prepared receipts log to compare to. There is also no independent comparison of the deposit receipt to the recording in Quickbooks.

We recommend that the Administrative Specialist open mail that appears to be cash receipts and record in a log the payee, amount, and nature of the revenue received. The log should be provided to an independent person, such as Executive Director or Treasurer. Periodically, the independent person should compare the log to the amount deposited per the deposit receipt and the amount recorded in QB.

Memo

July 7, 2020

TO: Board of Directors

FROM: Machael Smith Executive Director

SUBJECT: COVID-19 Response, Temporary Position Housing Navigator

SUMMARY:

The Alliance, like most community benefit organizations, has been deeply impacted by the COVID-19 pandemic. Our workload has shifted from ongoing housing assessments and long-term placements to a focus on health assessments and emergency placements. Since the launch of Project RoomKey on April 29th, the Alliance conducted 662 health assessments and referred 234 clients for quarantine placement. To accomplish this level of service we pulled all of our staff, with the exception of the accounting specialist, to work on Project RoomKey.

We are now transitioning to Project HomeKey, which will focus on moving people from emergency placement and into long-term housing options. This will require working with 114 households to complete housing assessments and locate housing.

The Alliance will be receiving \$1,191,700 through the Emergency Solutions Grant Program – Coronavirus (ESG-CV) Notice of Funding Availability (NOFA). We would like to set aside funds for a temporary Housing Navigator that will work on Project RoomKey/HomeKey. The annual cost for this position, including fringes and COVID hazard pay, is \$54,298.

RECOMMENDATION:

That the Board approve a temporary Housing Navigator for the local COVID-19 response.
